REQUIREMENTS FOR BRAND RECORDING

If you own livestock in Montana, you are required to pay an ANNUAL PER CAPITA FEE. Visit www.liv.mt.gov for more information.

NEW BRAND CONFLICT CHECK:

The primary purpose of livestock brands in Montana is to help clarify ownership of branded livestock. Applications for new brands are compared to over 50,000 existing brands to ensure that they are “distinguishable with reasonable certainty” from all other brands, per 81-3-103 MCA. This is a meticulous, specialized process that utilizes data from thousands of Montana livestock inspections. Even if a brand is not recorded, it may be too similar to an existing brand to be issued.

APPLICATION PROCESSING:

Applicants are encouraged to include multiple choices, listed in preferential order on their application. The conflict check is performed beginning with the first choice; the first brand that passes the conflict check will be issued to you. Once issued, the brand is yours until the next rerecord (2021), at which point you may choose to either renew it, or let it expire.

If none of your choices pass the conflict check, you will receive a letter with two options: 1) submit a W-9 form to receive half (\$100) of your application fee back, or 2) submit additional choices to be checked for conflict. If MDOL receives no response for six months following the date of this letter, your application is nullified and no fees will be reimbursed.
