# Board of Livestock Meeting

## Agenda Request Form

From: Layton		Division/Program: MVDL			Meeting Date: Sept, 2016		
<b><u>Agenda Item: Cost Analysis</u></b>							
Request for status update. Direction for director and staff.							
Recommendation:							
Time needed: 10m	Attachments:	yes	No x	Board vote required?	yes	no	
<b><u>Agenda Item: Out of state travel- Dr. Smith, VADDS training</u></b>							
Background Info: At the time of this writing, have not receive authorization for Dr. Smith out of state travel to South Dakota VADDS training. I originally requested in the weekly update for the week of Sept 5. Costs are attached. Since Dr. Smith is the DOL VADDS expert, this training would be beneficial to Dr. Smith and laboratory staff.							
Recommendation: Approve							
Time needed: 5 m	Attachments:	Yes x	no	Board vote required	Yes x	no	
<b><u>Agenda Item: Safety Inspection</u></b>							
Background Info: Safety inspection response to Labor and Industry accepted. Respirator program in place, 5 staff tested for respiratory function and respirator fitness.							
Recommendation:							
Time needed:5m	Attachments:	yes	no	Board vote required:	yes	Nox	
<b><u>Agenda Item: Other items</u></b>							
Background Info: The below items have been brought to the attention of the Board and members will be updated Electrical power- no outages since repair of arresstor and other deteriorated items Rabbits- see Sept 5 update Closure Entry way to laboratory Sept 5 update							
Recommendation:							
Time needed:	Attachments:	yes	no	Board vote required:	yes	No	
<b><u>Agenda Item: AAVLD management review in progress</u></b>							
Background Info: Annual management review- (concentration on the quality system) has commences. Review responses of supervisors.							
Recommendation:							
Time needed:	Attachments:	yes	no	Board vote required:	yes	no	

## Department of Livestock

**1) Division**  
Veterinary Diagnostic Lab

**2) Employees Traveling**

Dr. Steve Smith

**3) Justification**

Dr. Smith would like to attend the VADDS user group meeting and since he is a vital part of this system, I concur. Dan Olsen will also be attending. At the last BOL meeting, a motion was approved for IT personnel to attend but whom and how many was not specified. Dr. Smith will be involved with the system for some time to come and he is also on site for immediate attention.

After September 18, registration is non-refundable and he still needs to make hotel accommodations.

Registration: \$525

6 nights hotel @ \$95/night: \$570

7 days per diem @ \$46/day: \$322

Total \$1417

Approx. rental car (8 days) @ \$40/day: \$320

Approx. rental car fuel: \$190

Airfare: \$567

So, we are looking at \$1417, plus either \$510 or \$567 to drive or fly, respectively. This would be significantly cheaper than the ACVP meeting, which is pre-approved by the board (rough calculation total cost = \$3464). The entirety of the registration is non-refundable after September 18, and the hotel reservation needs to be made by that date. If these numbers look good, I can fill out the official form.

Diagnostic Laboratory Update, September 8, 2016

- Out of state travel- VADDS training in South Dakota for Dr. Steve Smith.

Dr. Smith would like to attend the VADDS user group meeting and since he is a vital part of this system, I concur. Dan Olsen will also be attending. At the last BOL meeting, a motion was approved for IT personnel to attend but whom and how many was not specified. Dr. Smith will be involved with this system for some time to come and he is also on site for immediate attention.

I have attached his e-mail to me with cost specifics. After September 18, registration is non-refundable and he still needs to make hotel accommodations.

I ask that the Board consider and respond to this request as soon as possible.

- Rabbits

We are becoming overrun by rabbits. Last year had the same problem and during the colder months they would get under staff cars and chew on the wires. We have facilities coming out to devise a game plan for control. The cost (yet to be determine and if acceptable) will be split amongst the various departments (60%) and facilities (40%).

- Entry closure

The closure of our entry way is going to be a headache. This afternoon I attended a meeting with the project manager.

Within the next 10 days, dewatering wells will be dug and this will constitute one day of entry closure.

One week after, excavation to install and connect the sewer pipe will commence and the project could take up to 4-6 weeks to complete. During this time the entry and Lincoln Street to the east will be closed but 19<sup>th</sup> will remain open. Estimated completion dates Oct 25 to Nov 15.

Detour signs directing staff, deliveries and visitors will be place. I have had input in to the signage and placement and have been assured if problems arise, we can change wording, placement etc.

We have a liaison, Bill Macklin from MSU, who will attend the weekly construction meetings.

Entry into the laboratory complex will be from Garfield Street to the north utilizing a service road for the MSU BSL-2 and 3 labs. The road looks adequate. Plowing will either be done by MSU or the contractor.

We will alert clients of the changes by e-mail, fax, direct communications and will see if we can post on the web page.

Clients delivering animals will be provided directions when the call.

- NAHLN Coordinating Council- I will be attending in Ames, IA next week.

# Board of Livestock Meeting

## Agenda Request Form

From: George Harris		Division/Program: Centralized Services			Date: September 23, 2016 Board Meeting		
<b><u>Agenda Item:</u> Cash Analysis FY 2017/Per Capita Fee Update</b>							
Background Info: George will present to the Board the actual cash balances achieved in our state special revenue accounts including, per capita fee, brand inspection revenue, animal health (lab fees) and milk inspection projections through August 31, 2016. He will also provide an update on our per capita collections for TY 2015 and TY 2016 through August 2016.							
Recommendation:							
Time needed: 15 min	Attachments:	Yes	No	Board vote required?	Yes	No	X
<b><u>Agenda Item:</u> State Special Revenue Collection Comparison FY 2016 with FY 2017 Actuals</b>							
Background Info: George will present the FY 2017 state special revenue collections through August 2016 compared to the same period last fiscal year.							
Recommendation:							
Time needed: 10 minutes	Attachments:	Yes	No	Board vote required:	Yes	No	X
<b><u>Agenda Item:</u> Budget Status Through FYE 2016</b>							
Background Info: The budget status reports submitted to the Board will be included in the CSD report. The reports will include FY 2017 budget compared to FY 2017 actual expenses through August 2016 and compared to the same period last fiscal year.							
Recommendation:							
Time needed: 10 minutes	Attachments:	Yes	No	Board vote required:	Yes	No	X
<b><u>Agenda Item:</u> Unearned Revenue /Brands Revenue</b>							
Background Info: George will review the status of unearned revenue in the Brand Enforcement Division. George will review the status of our unearned revenue and the impact on the brand division's overall revenue for FY 2017 through FY 2023.							
Recommendation:							
Time needed: 15 minutes	Attachments:	Yes	No	Board vote required:	Yes	No	X
<b><u>Agenda Item:</u> FY 18-19 Budgeting Update</b>							
Background Info: George will update the Board on the FY 2018-19 budgets submitted to OBPP on the September 1, 2016 deadline. He will review the submitted Revenue Estimates for FY 2018-19. He will review the submitted budgets for FY 2018-19. He will discuss the impact of the proposed budget on cash balances in FY 2018-19 for per capita fees, brand fees, lab fees and milk inspection revenue. He will also brief the Board on the budget process as it is considered by OBPP and the executive budget.							
Recommendation:							
Time needed: 30 minutes	Attachments:	Yes	No	Board vote required:	Yes	No	X

# Board of Livestock Meeting

## Agenda Request Form

September 23, 2016

<b>1. From: Marty Zaluski</b>		<b>Division/Program: Animal Health</b>	
<b>Agenda Item: <u>Trichomoniasis Tags (Received Interim Approval)</u></b>			
Animal Health Division received interim interim authorization to proceed with a rule change regarding the fee for trichomoniasis tags.			
The color of trich tags changes on an annual basis to provide a timeframe for assessing when a bull out on range was last tested. The annual color change occurs on September 1 of each calendar year. MDOL orders tags for the upcoming year in August of each year based upon any remaining inventory of the upcoming color and total tag distribution for the past several years.			
By receiving an interim approval, we are be able to file the proposed rule 2 weeks earlier (September 12) with a 28 day comment period ending on October 21. Adoption of the final rule may occur on October 31 with the effective date of the rule being November 11. Without interim approval, this entire process would be extended to an adoption date of November 26. The rule proposal is <b>enclosed</b> .			
<u>32.2.401 DEPARTMENT OF LIVESTOCK ANIMAL HEALTH DIVISION FEES</u> (1) through (4)(i) remain the same.			
(j) Trichomoniasis tags (5)		<del>6.45</del>	<u>8.35</u>
(k) Trichomoniasis tags (10)		<del>12.90</del>	<u>16.70</u>
(l) Trichomoniasis tags (25)		<del>32.25</del>	<u>41.75</u>
AUTH: 81-2-102, MCA			
IMP: <a href="#">81-1-102</a> , <a href="#">81-2-502</a> , <a href="#">81-2-704</a>			
REASON: The department proposes to amend the above-stated rule to ensure fees are commensurate with the costs as required by <a href="#">81-1-102</a> (2), MCA.			
Time needed: 2 MIN	Attachments:	YES	Board vote required? YES

<b>2. From: Marty Zaluski</b>		<b>Division/Program: Animal Health</b>	
<b>Agenda Item: <u>Rule Revisions</u></b>			
Please see the attached enclosed rule proposals to:			
<ul style="list-style-type: none"> <li>• Provide consistency between the regulations of our state B. ovis program and our import requirements for B. ovis testing in ARM 32.3.218 Special Requirements for Sheep.</li> <li>• Add the “V” brand for trichomoniasis positive bovines to ARM 32.3.2001 Brands and Earmarks.</li> <li>• Add ‘biological permits’ to the list of permits that valid for greater than 10 days per ARM 32.3.207.</li> <li>• Update citation changes in ARM 32.3.218 and 32.3.2001</li> </ul>			
Future rule change proposals: In upcoming BOL meetings, Animal Health anticipates submitting numerous non-substantive rule changes to address citation errors or minor technical issues. We will also likely propose a rule to change the change requirements for tagging and CWD testing of alternative livestock.			
Time needed: 15 MIN	Attachments:	YES	Board vote required? YES

3. From: Marty Zaluski	Division/Program: Animal Health	
<b>Agenda Item: Report on Out-of-State travel (NVS Exercise)</b>		
<p>Dr. Eric Liska and Emily Kaleczyc traveled to Jerome, ID August 23-25 to attend the Idaho State/USDA joint National Veterinary Stockpile (NVS) exercise. NVS is a stockpile of equipment and supplies maintained by the USDA that can be deployed to states during large scale infectious animal disease outbreaks. Emily Kaleczyc is currently working on writing the NVS plan for Montana. Valuable lessons learned from observing this exercise include:</p> <ul style="list-style-type: none"> <li>• NVS plans only encompass warehouse operations – they do not extend to how supplies would be distributed to the field</li> <li>• Choosing an existing warehouse (such as the DPHHS commodities warehouse in Helena that is tentatively included in the plan at this time and is willing to work with DOL on the NVS plan) for the NVS distribution site would make the NVS plan significantly easier to implement – professional warehouse staff already have the skills and equipment to unload pallets from a truck and store supplies in an organized manner</li> <li>• Planning a full-scale exercise would likely take a considerable amount of time, money, and effort – it may be more practical to request a table-top exercise of the Montana NVS plan when it is finished. There would be limited value in performing a full scale exercise if we plan to use an existing warehouse because professional warehouse staff are already more than capable of performing the necessary tasks for NVS and a full scale exercise would take them away from their usual, daily, duties in other programs.</li> <li>• The majority of supplies contained in NVS are personal protective equipment (PPE)</li> </ul> <p>Attending this exercise helped significantly in writing the NVS plan for Montana as it allowed observation of an NVS plan in action and was a good opportunity for discussion with other state and federal officials involved in NVS.</p>		
Time needed: 5 MIN	Attachments:	NO
	Board vote required?	NO

BEFORE THE DEPARTMENT OF LIVESTOCK  
OF THE STATE OF MONTANA

In the matter of the	)	NOTICE OF PROPOSED AMENDMENT
amendment of ARM 32.2.401	)	
department of livestock animal	)	
health division fees and	)	NO PUBLIC HEARING CONTEMPLATED
32.4.602 exportation of	)	
alternative livestock,	)	

TO: All Concerned Persons

1. On **October 23, 2016** the Department of Livestock proposes to amend and repeal the above-stated rules.

2. The Department of Livestock will make reasonable accommodations for persons with disabilities who wish to participate in the rulemaking process or need an alternative accessible format of this notice. If you require an accommodation, contact the Department of Livestock no later than 5:00 p.m., January 15, 2016, to advise us of the nature of the accommodation that you need. Please contact Executive Officer, Department of Livestock, 301 N. Roberts St., Room 304, P.O. Box 202001, Helena, MT 59620-2001; telephone: (406) 444-9525; TTD number: 1 (800) 253-4091; fax: (406) 444-4316; e-mail: [MDOLcomments@mt.gov](mailto:MDOLcomments@mt.gov).

3. The rules as proposed to be amended provide as follows, new matter underlined, deleted matter interlined:

32.2.401 DEPARTMENT OF LIVESTOCK ANIMAL HEALTH DIVISION  
FEES (1) through (4)(i) remain the same.

(j) Trichomoniasis tags (5)	<del>6.45</del> <u>8.35</u>
(k) Trichomoniasis tags (10)	<del>12.90</del> <u>16.70</u>
(l) Trichomoniasis tags (25)	<del>32.25</del> <u>41.75</u>

AUTH: 81-2-102, MCA  
IMP: 81-1-102, 81-2-502, 81-2-704

**REASON:** The department proposes to amend the above-stated rule to ensure fees are commensurate with the costs as required by 81-1-102(2), MCA.

32.4.602 EXPORTATION OF ALTERNATIVE LIVESTOCK (1) Any alternative livestock exported must be tagged and marked in compliance with ~~81-3-102(2) and 87-4-414, MCA~~ ARM 32.4.201.

(2) The animal must meet the inspection requirements for change of ownership and movement of ~~game farm animals~~ alternative livestock prior to movement from the alternative livestock farm in accordance to ARM 32.4.301.

(3) The shipment must be accompanied by a certificate of inspection and valid bill of sale for animals that have changed ownership

AUTH: 87-4-422, MCA

IMP: 81-3-102, 87-4-414, 87-4-422, MCA

REASON: Other alternative livestock rules have been amended to remove the term "game farm animals" replacing that phrase with "alternative livestock." ARM 32.4.602(2) was apparently overlooked and the department is proposing to amend the section accordingly.

In (3), the department is proposing to insert the word "must" as to read grammatically correct.

Implementation citations are being added to accurately reflect all statutes implemented through the rule.

5. Concerned persons may submit their data, views, or arguments in writing concerning the proposed action to Department of Livestock, 301 N. Roberts St., Room 306, P.O. Box 202001, Helena, MT 59620-2001, by faxing to (406) 444-1929, or by e-mailing to MDOLcomments@mt.gov to be received no later than 5:00 p.m., **October 21, 2016**.

6. If persons who are directly affected by the proposed action wish to express their data, views, and arguments orally or in writing at a public hearing, they must make a written request for a hearing and submit this request along with any written comments they have to the same address as above. The written request for hearing must be received no later than 5:00 p.m. **October 21, 2016**.

7. If the department receives requests for a public hearing on the proposed action from either 10 percent or 25, whichever is less, of the persons who are directly affected by the proposed action; from the appropriate administrative rule review committee of the Legislature; from a governmental subdivision or agency; or from an association having not less than 25 members who will be directly affected, a public hearing will be held at a later date. Notice of the public hearing will be published in the Montana Administrative Register. Ten percent of those persons directly affected has been determined to be 3 based upon 32 licensed alternative livestock facilities in the state of Montana.

8. The department maintains a list of interested persons who wish to receive notices of rulemaking actions proposed by this department. Persons who wish to have their name added to the list shall make a written request that includes the name, e-mail, and mailing address of the person to receive notices and specifies for which program the person wishes to receive notices. Notices will be sent by e-mail unless a mailing preference is noted in the request. Such written request may be mailed or delivered to the contact person in 5 above or may be made by completing a request form at any rules hearing held by the department.

9. An electronic copy of this proposal notice is available through the Secretary of State's web site at <http://sos.mt.gov/ARM/Register>. The Secretary of State strives to make the electronic copy of this notice conform to the official version of the notice, as printed in the Montana Administrative Register, but advises all concerned persons that in the event of a discrepancy between the official printed text of the notice and the electronic version of the notice, only the official printed text will be considered. In addition, although the Secretary of State works to keep its web site accessible at all times, concerned persons should be aware that the web site may be unavailable during some periods, due to system maintenance or technical problems.

10. The bill sponsor contact requirements of 2-4-302, MCA does not apply.

11. With regard to the requirements of 2-4-111, MCA, the department has determined that the adoption and amendment of the above-referenced rules will not significantly and directly impact small businesses.
