Features & Benefits
- Easy-to-use interface for digitally entering animal health certificate data for all species
- Issued CVIs are automatically sent to the states of origin and destination
- CVIs can be created offline, allowing veterinarians to use the product in the field
- Clinic accounts allow for veterinarians and animal health support staff to collaborate on CVI creation and submission, creating a more efficient CVI process for your practice
- Both large and small animal CVIs available

Platforms
AgView is available on iOS, Android, and desktop platforms, so you can choose the best options for your staff & practice.

Registration Options
Go to www.agview.com to register from your desktop, or download the AgView app for free from the Apple App Store or Google Play Store.

Payment
There is currently no charge to use AgView CVI. In January 2019, there will be a $3 per CVI charge, in addition to any applicable state fees, with no monthly account fee. Users will be invoiced on a monthly basis, only being charged for the number of certificates written during the billing period.
