**CONDITIONS of AGREEMENT**

I have initialed each of the statements below showing that I have read, understand and agree to the following:

1. \_\_\_ Cattle are from a valid beef breeding herd, established more than six months, moving for grazing purposes without change of ownership.
2. \_\_\_ There will not be movement or diversion of cattle from the premises I have described, unless approved prior to movement.
3. \_\_\_ I will account for all animals on this agreement.
4. \_\_\_ This agreement is subject to change if the risk of disease changes.
5. \_\_\_ Cattle must return to the state of origin within 9 months, unless approved by the State Administrator in advance.
6. \_\_\_ All sexually intact cattle 18 months and older have USDA approved official identification. Identification is not required to be listed on the health certificate.
7. \_\_\_ A certificate of veterinary inspection and a brand certificate, in addition to the valid permit, are required for all cattle within the 30 days prior to entering destination state.
8. \_\_\_ Failure to comply with the provisions of this agreement and/or any erroneous information provided may result in the revocation of this permit and/or loss of use of any future grazing permits.
9. \_\_\_ I certify that all vaccination eligible female cattle are official brucellosis vaccinates at the time of departure from Montana. I have had my veterinarian vaccinate and/or verify brucellosis vaccination status.

Montana Code Annotated 81-2-107: Duty to report contagious diseases. A person, including the owner or custodian, who has reason to suspect the existence of a dangerous, infectious, contagious, or communicable disease in livestock or the presence of animals exposed to the disease in this state shall immediately give notice to the Department.

**HERD VETERINARIAN CERTIFICATION**

I have no reason to believe the herd listed on this application would jeopardize the health status of any livestock in Montana or a bordering state. Additionally, I hereby certify that all female cattle 4 months of age and over are official brucellosis vaccinates with a legible tattoo and that I have either vaccinated or examined all individual animals to verify official status.
