

# Montana Department of Livestock Import Regulations

## **Rabies Vector Wild Animal Prohibited Species**

### Fox, Skunks, Racoons, Groundhogs, and Bats

- A person may not possess a rabies vector wild animal unless the person possessed it for at least 6 months prior to January 1, 1982, or it is used in a fur-bearing enterprise, contained in a zoological exhibition in a manner that it may not come in physical contact with members of the public, or acquired by an educational institution for scientific research.

For questions regarding rabies vector wild animal prohibited species in Montana please contact  
Department of Public Health and Human Services  
(DPHHS) Communicable Disease Epidemiology
