Controlled Exotic Species

Controlled Species Definition

"Controlled species" means a live, exotic wildlife species, subspecies, or hybrid of that species.

Animal List

- For a list of controlled species, please see [ARM 12.6.2208 List of Controlled Species](#).
- For information on controlled species permits from Fish, Wildlife, and Parks please see [ARM 12.6.2210 Controlled Species Permits](#).
- For information on controlled species applications, please see [ARM 12.6.2211 Application for a Permit to Possess a Controlled Species](#).

For questions regarding controlled species in Montana, please contact Fish, Wildlife, and Park (FWP)
